

MEXICAN COOK OPEN SERVICE

Our Mexican Cooks offer the best home cooked, traditional meals on the Baja. Well versed in local specialties, our friendly staff will delight you with their charm and ability.

Our cooks shop daily for the freshest ingredients so that they can serve you the healthiest and most delicious meals during your stay. Our cook services include preparing the meal in the privacy of your villa, service and all clean up.

Pricing is for service only. Service includes the cook shopping daily for the freshest in quality ingredients, preparing the meal in the privacy of your villa, serving you, and cleaning up.

An estimate of the expense of your groceries will be determined based on the number of people, meals, and the types of menus you are requesting. We will charge you a 15% shopping fee based on this amount, together with a 3.5% processing fee and provide this money to your cook. Should you exceed this amount, further charges will be made to your credit card on file. If required, a spreadsheet of expenses will be emailed to you along with your final concierge bill.

Cook services canceled prior to 24 hours in advance of service will be subject to a 10% cancellation fee. Services canceled with less than 24 hours' notice of the service are non-refundable.

Work directly with your cook to create your own menus or request some sample menus for ideas. We typically ask you to plan your first menu with your pre-arrival concierge and then consult with your cook directly for subsequent meals. They will suggest seasonal specialties and let you know the options for local seafood.
